

Step 1:

URL : <https://aws.amazon.com/>

The screenshot shows the AWS 'Create an AWS account' page. On the left, a large heading reads 'AWS Accounts Include 12 Months of Free Tier Access', with subtext 'Including use of Amazon EC2, Amazon S3, and Amazon DynamoDB' and a link to 'aws.amazon.com/free'. On the right, a form titled 'Create an AWS account' contains fields for 'Email address', 'Password', 'Confirm password', and 'AWS account name'. A yellow 'Continue' button is below the form. At the bottom of the form, there is a link to 'Sign in to an existing AWS account' and a small copyright notice: '© 2019 Amazon Web Services, Inc. or its affiliates. All rights reserved. Privacy Policy Terms of Use'.

Step 2: Enter Contact Information

The screenshot shows the AWS 'Contact Information' page. The heading 'Contact Information' is at the top, with a note 'All fields are required.' to its right. Below the heading, a message says 'Please select the account type and complete the fields below with your contact details.' The form includes an 'Account type' section with radio buttons for 'Professional' and 'Personal' (the 'Personal' option is selected). Below this are fields for 'Full name' (containing 'awstraining'), 'Phone number', 'Country/Region' (a dropdown menu showing 'United States'), 'Address' (two stacked text boxes for street and apartment/suite information), and 'City'.

Step 3 – Part 1 – Enter Debit/Credit card Details

aws

English

Payment Information

We use your payment information to verify your identity and only for usage in excess of the [AWS Free Tier Limits](#). We will not charge you for usage below the AWS Free Tier Limits. For more information, see the [frequently asked questions](#).

As part of our card verification process we will charge INR 2 on your card when you click the "Secure Submit" button below. This will be refunded once your card has been validated. Your bank may take 3-5 business days to show the refund. Mastercard/Visa customers may be redirected to your bank website to authorize the charge.

Step 8: Enter your role and interest

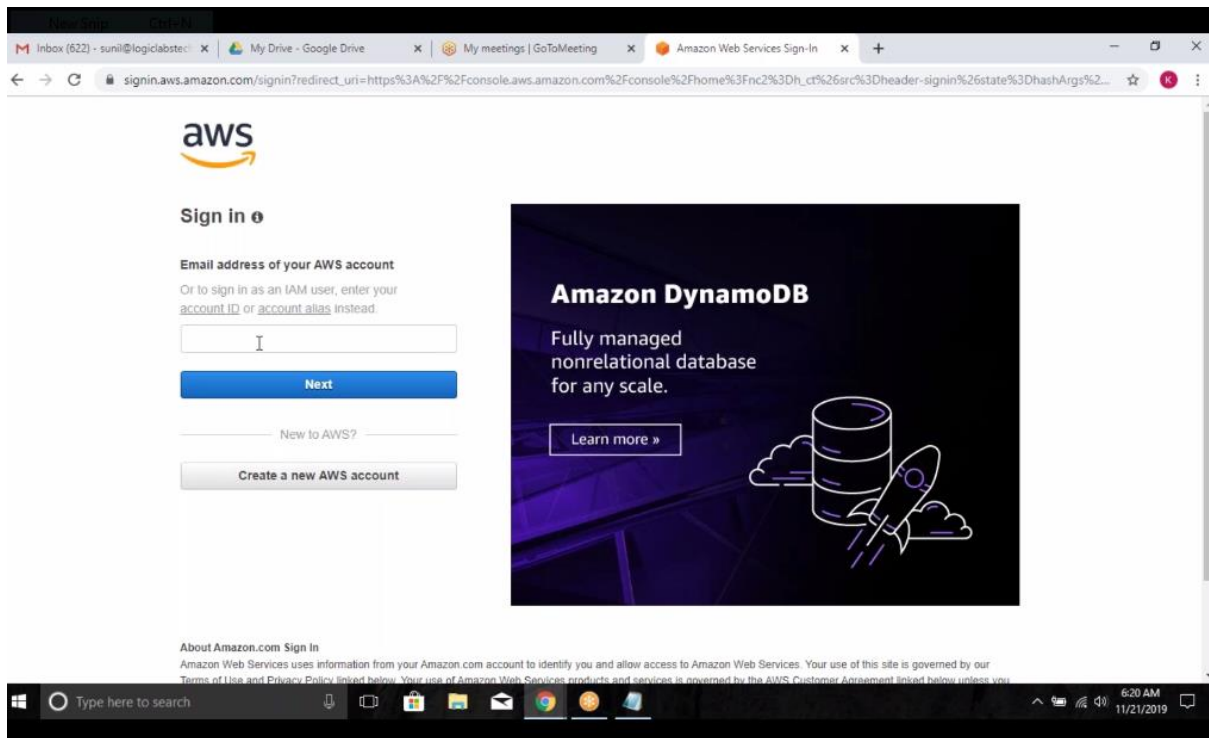

The screenshot shows the AWS website's 'Personalize Your Experience' section. At the top is the AWS logo and a navigation bar with links: Products, Solutions, Pricing, Documentation, Learn, Partner Network, AWS Marketplace, Customer Enablement, Events, Explore More, and a search icon. Below the navigation bar, the heading 'Personalize Your Experience' is displayed. A subtext reads: 'Fill in the blanks below to receive recommendations catered to your role and interests.' The form contains two dropdown menus: 'My role is: Software Developer / Engineer' and 'I am interested in: DevOps'. A yellow 'Submit' button is positioned below the second dropdown. Underneath the form, a section titled 'Try a Tutorial on the Free Tier' is visible, with a 'COMPUTE' sub-header and three tutorial cards: 'Launch a Linux Virtual Machine', 'Deploy Docker Containers', and 'Run a Serverless "Hello, World!"'. At the bottom of the page, a Windows taskbar is visible with a search bar and several application icons.

Step 9: Thank You

The screenshot shows the AWS website's 'Thank You' page. The top navigation bar is identical to the previous screenshot. The main content area features a large, centered 'Thank You' message in a light orange font. Below this message, the 'Try a Tutorial on the Free Tier' section is visible, with the 'COMPUTE' sub-header and the same three tutorial cards as in the previous screenshot. The Windows taskbar at the bottom is also identical.

Step 10: Login with your details

Step 11: AWS Management Console
